

535 Robin Hood Road Offered at \$9,880,000

This incredible architectural view home is artwork you can live in. A McLeod Bovell masterpiece that was intentionally designed with one floor living in mind or aging in place and built with an extensive use of concrete and engineered steel. The huge spans, soaring ceilings and floor to ceiling windows create the tranquility of an art gallery while maintaining the warmth of a home. Features include 7,385 sq. ft. of living space, 4 bedrooms, 5 bathrooms, self-contained guest/in-law suite, radiant heat in all bathrooms, air-conditioning, elevator, smart home lighting, roughed in generator and too much more to list. The self-supporting steel roof contains an eco-friendly water collection system that culminates into a waterfall pond and underground cistern. Lots of space for a pool if desired.
